

### Activity Overview

This educational activity showcases advances in CV medicine that are needed to bring up-to-date to the bedside.

### Target Audience

This activity is designed for an audience of physicians, nurses, pharmacists, physician assistants and nurse practitioners who treat and manage cardiovascular diseases.

### Learning Objectives

Upon completion of the educational activity, participants should be able to:

#### **Unveiling the Power of Dynamic Cardiac CT - Mohammad Al-Ani, MD**

- Discuss the utility of Cardiac CT in diagnosis of heart disease

#### **Emerging Devices for Heart Failure Therapies - Nosheen Reza, MD, FACC, FHSA**

- Discuss the role for evolving technologies and devices for the treatment of patients with heart failure

#### **Hypertrophic Cardiomyopathy – Newer Approaches to Diagnosis and Treatment - Steve R. Ommen, MD, FACC**

- Develop approaches to diagnose and apply best practices and evidence for new medications and treatment for patients with hypertrophic cardiomyopathy

#### **Cardiovascular Disease in Women: A Focus on Female-specific Risk Factors - Malissa Wood, MD, FACC**

- Review and recognize the manifestation, diagnosis, and treatment of cardiovascular disease in women

#### **ACC Presentation: Workforce Issues - Pamela Bowe Morris, MD, FACC**

- Discuss and review data on current issues affecting the workforce as it relates to the practice of cardiovascular medicine

#### **Atrial Fibrillation Management - What's New in 2023? - David Spragg, MD, FHRS**

- Apply best practices for the management of patients with atrial fibrillation and apply treatments appropriately

#### **Valvular Heart Disease Debate: TEER for Mitral vs. Surgical - Thomas Beaver, MD, MPH**

- Apply current best practices, standards, and data to refer and treat patients with mitral insufficiency appropriately for catheter-based or surgical correction

#### **Novel Digital Devices and Its Uses in Cardiovascular Care - Demilade Adedinsewo MD, MPH, FACC**

- Discuss an overview of emerging devices, technologies, and AI and how to apply them in cardiovascular medicine

#### **Summary of Key Clinical Trials from ESC 22, AHA 22, & ACC.23**

- Review some of the key trials throughout the year, and learn how they apply to our patients, and choose the one best trial of the year

### Criteria for Success

There is no fee to participate in this activity. Statements of credit will be awarded based on the participant's attendance. A statement of credit will be available upon completion of an online evaluation/claim credit form available at:

[akhcme.com/FLACC](http://akhcme.com/FLACC)

Please claim your credit by 8/30/2023.

If you have questions about this CE activity, please contact AKH Inc at [JGoldman@akhcme.com](mailto:JGoldman@akhcme.com).

CE credit provided by AKH Inc., Advancing Knowledge in Healthcare.

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by AKH Inc., Advancing Knowledge in Healthcare and the Florida Chapter, American College of Cardiology. AKH Inc., Advancing Knowledge in Healthcare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### Physicians

AKH Inc., Advancing Knowledge in Healthcare designates this live activity for a maximum of 8.0 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 8.0 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to

ACCME for the purpose of granting ABIM MOC credit.

### Nurses

Credit being awarded: 8.0 ANCC contact hours

### Pharmacists

AKH Inc., Advancing Knowledge in Healthcare designates this continuing education activity for 8.0 contact hours.

### Physician Assistant

AKH Inc., Advancing Knowledge in Healthcare has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 8.0 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

### Nurse Practitioners

This activity has been planned and implemented in accordance with the Accreditation Standards of the American Association of Nurse Practitioners (AANP) through the joint providership of AKH Inc., Advancing Knowledge in Healthcare and the Florida Chapter, American College of Cardiology. AKH Inc., Advancing

Knowledge in Healthcare is accredited by the American Association of Nurse Practitioners as an approved provider of nurse practitioner continuing education. Provider number: 030803. This activity is approved for 8.0 contact hour(s) (which includes 4.0 hour(s) of pharmacology).

### Commercial Support

There is no commercial support for this activity.

### Disclosures

It is the policy of AKH Inc. to ensure independence, balance, objectivity, scientific rigor, and integrity in all of its continuing education activities. The author must disclose to the participants any significant relationships with ineligible companies whose products or devices may be mentioned in the activity or with the commercial supporter of this continuing education activity. Identified conflicts of interest are mitigated by AKH prior to accreditation of the activity. AKH planners and reviewers have no relevant financial relationships to disclose.
